

Dear Museum Members and Friends:

The Ukrainian American Archives and Museum wishes to express its gratitude for your support in maintaining the Museum, its collections and archives. We are continuing our work in the community and will be presenting an exhibit titled, "A Cultural Thread...the Enduring Ukrainian Spirit" at the Detroit Historical Museum from March 16-June 16, 2013. Please be especially generous during this holiday season and help us offset the cost of this project.

We are a 501 (c) 3 non-profit organization and your holiday gift is tax deductible.

Thank you for your giving spirit.

Wishing you and yours a very Blessed Christmas,
